Angela asked for ideas to replace the top/bottom half singles as this did not really work for the ladies as not enough turned up.

It was suggested that the ladies be put in the draw to play the men, but it was felt it would not work as it would be too hard to work out if the ladies should be in the top or bottom half.

It was suggested that we had a round robin comp with players (men and women), play in a round robin group, this was felt it was a good idea, size and number of groups would depend on the turnout. The committee will work out the details.

Nicola – we must confirm the hotel for the first county game two week before the county game, can anyone who would like a room please confirm with Nicola asap.

We would like to arrange a comp in honour of Curly Connelly and raise some money for a charity. It was suggested that we have county format challenge game with the team managers team venues the chairman's team.

Anyone interested in taking part needs to let a member of the committee know and the team will be selected from those interested.

The committee will arrange a date and the charity would be darts for heroes.

Presentation night will be 31<sup>st</sup> July providing all restrictions have been lifted.
